

From Majority to Minority:

*Using Cellphilm to reflect on
Black International Student
Identity*

*Shernel Justin & Alicia F. Noreiga
Atlantic Education Conference, 2020*

Shernel Justin, St. Lucia

Alicia Noreiga, Trinidad and Tobago

The purpose of this presentation is to describe our experiences moving from the Caribbean islands of St Lucia and Trinidad and Tobago to New Brunswick and how our experiences have stimulated self-reflection and advocacy toward Black empowerment. We will share views on race in Black majority countries then describe our experiences moving to New Brunswick to pursue graduate studies, thus, becoming minorities.
