

# Atlantic Education Graduate Student Conference (AEGSC) 2024

## Call For Papers

Innovations in Pedagogy:  
Navigating the Future of  
Teaching and Learning

MAY 25-26, 2024

HYBRID CONFERENCE

## Topics of Interest Incl.

- ▮ Adapting to Changing Educational Landscapes
- ▮ Global Perspectives on Pedagogical Innovations
- ▮ Inclusive Pedagogies
- ▮ Ethical Considerations in Educational Technology

### SUBMISSION GUIDELINES

The AEGSC aims to promote education research, projects, and scholarly activities of all graduate (or undergraduate) students. This is a great opportunity to present and discuss your work in a supportive academic forum with other students and education professionals.

All submissions will undergo peer review process. Abstracts should be 150-250 words.

There is also an opportunity to submit and publish short paper in a special edition of Antistasis (2,000 to 2,500 words, excluding tables, figures, & references).
